CARLTON

WELCOME

We're delighted to have you with us.

Our beverage list reflects our appreciation for local craftsmanship and global excellence.

We've thoughtfully sourced an array of outstanding ingredients and beverages, with a strong focus on showcasing the best of Victoria. Look out for the "V" symbol – it proudly highlights our favourite local gems from across the state.

We've also included a selection of cool-climate wines from Tasmania, alongside some of Italy and France's most iconic producers – a nod to our roots and a celebration of timeless winemaking traditions. To round out the experience, you'll find a handpicked range of premium international spirits and liqueurs – some of your favourites, and perhaps a few new discoveries.

So, raise a glass, explore the list, and savour every moment.

Carlton is part of the Traditional Lands of the Wurrundjeri Woi Wurrung peoples, who have cared and protected it for generations.

We pay our respects to the ancestors and elders and respect their history and continuous connection to the land

Co-founders Gab and Chris Moore -Sailors Grave Brewing is named after a small cove in deep Sou'East Gippsland where Gab's family has a beach hut since the 1920s. It was a sandy shantytown with a pub set up in the dunes – the embodiment of freedom, community, and wild merry making. All beer is based on water, yeast, malt, and hops, but the heart of Sailors Grave Brewing is the environment: beer inspired by the ever-present wind-swept coast, gathered bush botanicals, salt from the sea, wild yeasts from the Snowy Mountain River plains and the heady flavours of historical trade routes.

T.I.N.A is an experimental beverage business based in Melbourne, and run by cousins Christina Trabucco and Imogen Hayes. The goal is to make non alcoholic drinks that are interesting, well balanced and thoughtfully made. The intention is not to replicate alcohol, but make drinks that are 'deliciously complex' in their own right, using a combination of quality teas, herbs, flowers and fruit. All brewing, blending and ingredient sourcing is managed by Christina, in Melbourne. Beverages produced 1km away from the hotel.

Inspired by a cultural capital, the Melbourne Gin Company (MGC) was established in 2012. Founded by Andrew Marks, a Yarra Valley winemaker living in inner city Collingwood. Andrew sought to doff his hat to London Dry Gin by creating the very first Melbourne Dry Gin, pioneering a new local industry while merging twin loves for gin martinis and his hometown.
